

Wire frame diagrams

User Registration:

A wireframe diagram for a user registration form. The form is titled "User Registration" and contains several input fields and buttons. The fields are labeled "First name", "Last name", "Email", "Password", and "Mobile". There is a "Send OTP" button below the email field, and a "Submit" button at the bottom. A dropdown menu is labeled "I am" with the text "---select one role-- V".
